this issue has been fixed.

A new issue has been occurred as follow:

- 1- When you add the first record for the (first time); the debit and credit values will be switched !! (attachment [#96](#))
- 2- when you add the first record for the (first time); the Delete action will not be available (attachment [#95](#))
- 3- The debit and Credit fields trims the fraction part from the double numbers (attachment #94)
- 4- After delete all the records, update action stay available (attachment #93)
