When Creating content item and filling the name in Arabic ... the value is always "Portal Default Navigation Model" whatever the level is.			

### History

#1 - 09/02/2020 03:04 PM - Yazan Awad

- Co-Workers Saja Nakhleh added

Due to a limitation in the product itself, this issue cannot be solved by portal team (Unless a patch from oracle is released containing a fix for this issue) but Zaid handled the needed functionality in a workaround.

Will keep this task open as reference only.
