<b>Expected Result:</b>			
<b>Description</b>			
Functionality Feedback:			
1- Only The in_contributor user have access to publish using the Message board			
2- The Icon "Share a Link" differs when using the system in arabic and english.			
3- The (Upload and the Link share) should be removed from the message board			
4- Add the Share to the Message Board Displayer			
UX Enhancements:			
5- The Background for the comments should be replaced with a box that contains the comments.			
Please Refer to the screen shot attached.			
----- New Issues -----			
6- Any user can edit and Delete the posts of all the users			
7- Date and time should be removed from the body of the message board displayer (repeated twice in the same area)			
8- When deleting a post, it should be removed from the Activity Stream.			
9- When clicking on the name of the people who liked the post, empty page is opened.			
10- The Message Board interactions are not reflected in the user profile
