Expected Result:				

Description

Issues:

For the extranet:
1- When searching without entering any value only the first result page for the documents tab is displaying documents, the other pages is displaying images only

2- The Content is only displayed in the Everything tab only

3- The first page in the document results is displaying 5 results and the other pages in the documents result is displaying 10 results

4- Images and videos from the galleries are not displayed in the search

5- Change the result type title from "Documents" to "Media Center"

6- the results in the "Everything" tab does not equal the summation of the other tabs

7- Add new Result type "Web Content"

8- Replace the "0" with "*"

9- When selecting Two values from the "Last Date Modified" no values appear

10- Fix the design for "Collapse Pane" arrow
