issue [#1](#): the 5th step I think is for "IT Department -  page and seems that this bug report was for IT Department as shown in evidence (41.gif).

So the financial data action is in IT Department page,

Furthermore to make sure that this action exist on "  page or not , I've reviewed the SVN FOR "  and the button described doesn't exist in previous versions as well , So it was not deleted, so make sure and notify me if you need me to add this button on "  page.
