Dear Sewar,

Kindly check the above issue start with submittin new transaction and once submitted check if the cancel date is being filled or not, if not please search for the place where the date is being filled.

#2 - 06/03/2021 04:20 PM - Sewar Tahat

- File search1.PNG added

- File table1.PNG added

- Assignee changed from Sewar Tahat to Mohannad Sabra

When the file cancels it removed from search files, so this field will be always empty for all files in basic file screen as search1.png.(all files that appear in search screen will be not canceled)

When it cancels all data stores in database as table1.png.
Mohannad, plz advise
