Category:	000 000000 - 000000 00000000 0000000000 000000	Transaction Number:	
Sub-Category:		Username:	
Step_Description:		Browser:	Chrome
Pre_Conditions:		URL:	
Expected Result:	Opening the report should be open in seconds. Printing the report or producing the PDF file should also be created in seconds	Test Case ID:	

Description

When pressing " 000000 " In the process 000000 00000000 00000000 in the 000000 000 000000, the process takes along time (Video attached). It takes about 1 minutes 30 seconds to show the report, and it takes another 1 minute and 15 seconds to print or create the PDF file.

Steps to Reproduce:

1. Click 000000 000 000000
2. At the 000000 00000000 0000000000, Click " 000000 "

Note: One of the Videos cannot be uploaded due to size constrains

- Status changed from Open to Feedback

for this issue do best to handle performance rendering page time but file sts page contain 2 data base procedure one dependence to other and take log time execution you can see that on old pamp portal page also running report take along time because all report deployed in separated application so need to execute data base procedures to take a result

#2 - 05/04/2017 04:15 PM - Abed Abuhhalawa

- Status changed from Feedback to Fixed

pleas retest , maybe take about 20 sec to load a page .
