Can you please re-check the issue again as this seems to be a server issue.

#2 - 05/15/2016 03:27 PM - Saja Nakhleh

- Assignee changed from Saja Nakhleh to Saad Jaradat

while this issue occurred always in a dedicated scenario,
and not occurred for the same action in another steps or for another action on the same step, then I don't think it's a server issue.
Saad please confirm.
