eServices - Bug #56

Submit action - wrong behavior

05/18/2016 02:51 PM - Saja Nakhleh

Status:	Closed	**Start date:**	05/18/2016
Priority:	Normal	**Due date:**	
Assignee:	Saja Nakhleh	**% Done:**	0%
Category:		**Estimated time:**	0.00 hour
Target version:		**Spent time:**	0.00 hour
Co-Workers:		**Actual Result:**	1- The submit action is enabled even if the phone number is wrong 2- The submit action is enabled even if the Government number is empty
Severity:	Normal	**Environment:**	Development
Category:	Interlock	**Transaction Number:**	
Sub-Category:	Portal	**Username:**	Raed48
Step_Description:		**Browser:**	Firefox
Pre_Conditions:		**URL:**	
Expected Result:	1- The submit action should not be enabled while the phone number is wrong 2- The submit action should not be enabled while the Government number is empty	**Test Case ID:**	

Description

Steps:
(Online submission)
1- Create new Interlock transaction
2- Fill all the mandatory fields and attachments
3- Fill the phone number with wrong value (i.e. 05123456)
4- Observe the submit action

(Counter submission)
1- Create new Interlock transaction
2- Fill all the mandatory fields and attachments
3- Choose from the Government number : Other
4- Keep the Government number text field empty
5- Observe the submit action
